EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed $75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The $75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the $75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2, below.

2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.

3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Dear Mr. Cherry:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. Dear Mr. Cherry:

Inclosed herewith is a picture of the United States Military Cemetery Cambridge, England, in which your son, the late Sergeant Frank E. Cherry, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Sincerely yours,

Dear Mr. Cherry:

Some personal property belonging to **Frank Edward Cherry,** which he left at a previous military station, has been received at this Depot, for appropriate disposal.

This letter positively is not a casualty message; please do not conclude that, merely because we have received this property, something serious has happened to the owner. The sole purpose of this letter is to hasten disposal of the property now in our custody.

It is our desire to forward this property to some near relative, for safe-keeping on behalf of the owner. If you have any letter or other written instrument from him, indicating with whom he would want his belongings stored, I wish you would forward that paper to me. After examination here, it will be returned promptly.

I wish you would also furnish me the following information:

1. What are the names and addresses of his nearest relatives; i.e., wife, oldest adult child, mother, father, oldest sister, oldest brother, or next relative?
2. What is his present rank and Army serial number?
3. What is his latest mailing address and to what Army unit is he now assigned?
4. What is the name, address, and relationship of the person with whom you feel he would want his belongings stored?

Your reply may be made on the reverse side of this letter, if you wish, and mailed in the inclosed addressed envelope which needs no postage.

Yours very truly,

P. U. MAXEY
