Mr. Anthony J. Conlon

Dear Mr. Conlon:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country.

Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C.

While interment and beautification activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

Mr. Anthony J. Conlon
c/o Chumbley
7020 Madison Street
Guttenberg, New Jersey

Dear Mr. Conlon:

The Army Effects Bureau has received from overseas some personal property of your son, Private First Class Anthony R. Conlon.

To make proper disposition of this property, it is necessary that we have certain information regarding your son's family. I would like to know whether he was married and, if so, the name and address of his widow.

If your son left a Will which has been probated, please furnish the original or a certified copy of the Letters Testamentary. Any papers submitted will be returned to you as soon as possible.

Not infrequently, due to exposure to the weather and other natural conditions, certain articles received here have a peculiar or sometimes even disagreeable odor. Such an odor may develop from the length of time the articles have been packaged in transit from overseas. All of your son's effects are in this condition and also are stained by moisture. Regrettably, a billfold is also damaged, apparently by bloodstain. Since it is our desire to spare the recipient any avoidable unpleasant reaction, I wish to acquaint you with this condition and ask that you tell me whether you, nevertheless, desire these articles sent you, if you are determined proper recipient.

Please mail your reply in the inclosed addressed envelope which needs no postage, as this will accelerate delivery of the property.

Yours very truly,

HARRY NIEMIEC
