Dear Ms Garris,

Several years ago you assisted me in obtaining the Individual Deceased Personnel Files (IDPF) on several individuals under the Freedom of Information Act (FOIA). In my military historical research and writing project, I am now interested in getting the file of one additional person. Under the FOIA, request the IDPF on the following individual:

1<sup>st</sup> Lieutenant Jack J. Burg (service number - unknown) <sup>D743756</sup>  
Bombardier/Navigator in B-2b, A-20, and A-26 aircraft  
in the 9<sup>th</sup> Air Force, Europe, and possibly in the Pacific.  
At one time was part of an aircrew that trained  
at Barksdale Field, LA and consisted of:

Lt Billington	- pilot
Lt Hall	- copilot
Lt Burg	- navigator/bombardier
Sgt Payne	- engineer/gunner
Sgt Kiser	- radio man/gunner
Sgt Campbell	- armorer/gunner

Lt Burg's previous home in the US was:  
5358 South Laflin Street  
Chicago, IL  
(parents' home)

Lt Burg's wife was Jean Burg  
Florissant, MO

Lt Burg was MIA or KIA/died overseas in the  
May-July 1945 time frame (probably)

If possible, I would like to get any MIA or crash  
reports that might be available as part of the IDPF.

Thank you very much for your assistance.

Sincerely,

Robert J. Browne

Dear Mrs. Burg:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interments are in progress, the cemetery will not be open to visitors. You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

H. FELDMAN

This dental chart is very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspid (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found. See reverse side for illustrations.

Dear Mrs. Burg:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Mr. Raymond E. Burg  
5358 South Laflin Street  
Chicago 9, Illinois

Dear Mr. Burg:

Your letter concerning your brother, the late First Lieutenant Jack J. Burg, has been received in this office.

The official Report of Burial discloses that the remains of your brother were interred in Plot J, Row 8, Grave 197, in the United States Military Cemetery, Foy, located four miles north of Bastogne, Belgium.

The War Department has now been authorized to remove, at Government expense, to the final resting place designated by the next of kin, the remains of those American citizens who died while serving overseas with our armed forces during this war.

When the necessary preliminaries have been completed, a "Letter of Inquiry -- Return of World War II Dead" will be sent to the next of kin of those American dead. The response to this letter will constitute a formal expression of the next of kin's detailed desires. Since letters to next of kin will be dispatched automatically and according to the records here, communications with this office regarding this subject will not be necessary. The necessity for complete coordination of movement in many parts of the world makes it impossible, at this time, to estimate when this letter will be mailed. Responses to them will be acted upon with a minimum of delay.

The Secretary of War, pursuant to the authority given him in Section 4, Public Law 383, 79th Congress has established an order of priority among the next of kin in which their desires concerning the disposition of decedent's remains will be honored.

Inasmuch as your brother was married at the time of his death this office must recognize the right of his widow in determining the final

disposition of his remains unless she remarries or voluntarily waives her right to make such disposition.

Please accept my sincere sympathy in the loss of your brother.

Mrs. Jean J. Burg  
Charbonnier Road  
Florissant, Missouri

Dear Mrs. Burg:

I am writing to you in reference to your husband who gave his life in the service of his Country during the European conflict.

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the Army Air Forces recently completed the translation of several volumes of captured German records.

In regard to First Lieutenant Jack J. Burg, these records indicate that he was killed in action 25 December 1944, when his A-20 (Havoc) bomber crashed at Mierfeld, Belgium, 9 miles southeast of Malsedy, Belgium and about 55 miles north of Luxemburg. He was buried in the Army Cemetery in the Malsedy district.

The Quartermaster General in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the legal next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. If the report of your husband's burial has not been confirmed and you have not been notified by the Quartermaster General, that official will furnish you definite information immediately upon receipt of the official report of interment, from the Commanding General of the Theater concerned.

May the knowledge of your husband's valuable contribution to our cause sustain you in your bereavement.

Very sincerely,

Dear Mrs. Burg:

Thank you for the information furnished this Bureau in connection with a pair of Bombardier Wings which belonged to your husband, the late First Lieutenant Jack J. Burg.

The Wings were forwarded to you on 11 July 1949. In the event they are not received within thirty days, please inform this Bureau and tracer action will be taken.

Apparently these are the wings your husband was wearing at the time he became a casualty. They were forwarded here by a Graves Registration officer overseas, and information accompanying them indicates they were found at the time your husband's remains were disinterred.

Please accept my sympathy in the loss you have sustained.

Sincerely yours,

H. O. CALDWELL
