Henri-Chapelle U. S. Military Cemetery

Dear Mr. Svenson:

This is to inform you that the remains of your loved one have been permanently interred, as recorded above, side by side with comrades who also gave their lives for their country. Customary military funeral services were conducted over the grave at the time of burial.

After the Department of the Army has completed all final interments, the cemetery will be transferred, as authorized by the Congress, to the care and supervision of the American Battle Monuments Commission. The Commission also will have the responsibility for permanent construction and beautification of the cemetery, including erection of the permanent headstone. The headstone will be inscribed with the name exactly as recorded above, the rank or rating where appropriate, organization, State, and date of death. Any inquiries relative to the type of headstone or the spelling of the name to be inscribed thereon, should be addressed to the American Battle Monuments Commission, the central address of which is Room 713, 1712 "G" Street, N. W., Washington 25, D. C. Your letter should include the full name, rank, serial number, grave location, and name of the cemetery.

While interment activities are in progress, the cemetery will not be open to visitors. However, upon completion thereof, due notice will be carried by the press.

You may rest assured that this final interment was conducted with fitting dignity and solemnity and that the grave-site will be carefully and conscientiously maintained in perpetuity by the United States Government.

Sincerely yours,

Dear Mrs. Svenson:

I have your letter of November 19 concerning the unidentified gold ring received here which may be the property of your husband, First Lieutenant Robert R. Svenson.

In accordance with your request, I am this date sending the ring by registered mail under separate cover for your inspection and possible identification. If after receipt and examination of the ring, you do not feel that it is the property of your husband, I shall appreciate your informing this Bureau in order that arrangements may be made for its return. If I do not hear from you by the expiration of fifteen days from date hereon, I shall assume the ring belonged to Lieutenant Svenson and satisfactory delivery has been made.

I regret that I am unable to furnish you the details of the recovery of this ring. For your information the ring was sent here by the Graves Registration Officer, U. S. Military Cemetery #1, Grand Pailly, France. Apparently, it was in the immediate possession of the owner, as personal belongings of this nature are forwarded from the overseas Graves Registration Division.

Thank you for your cooperation and assistance in this matter.

Very truly yours,

forward the ring to me for my inspection. If this ring does not belong to my husband, I shall return it immediately.

Can you give me any other information regarding how or where it was found? Was it found on his person? It may have been a ring he purchased himself while overseas, and in this case I would have no information regarding it.

Thank you for your kind letter, and may I hear from you promptly.

Sincerely yours,
Mrs. Robert R. Benson.

Dear Mrs. Svenson:

This refers to previous correspondence, The Army Effects Bureau, regarding the personal effects of your husband, First Lieutenant Robert R. Svenson.

This Bureau has recently received from the Graves Registration Officer overseas one gold ring with a green stone setting. Information available here indicates that this ring may have belonged to your husband. However, since definite ownership has not been established, I shall appreciate your advising this Bureau, if to your knowledge, the ring belonged to Lieutenant Svenson. If you are able to claim this ring as his property, it is requested that a brief description be given, in order that proper identification may be made here. If you desire, the ring may be forwarded to you for inspection.

For your convenience there is inclosed herewith an addressed envelope which requires no postage. If I do not hear from you at the expiration of thirty days from date hereon, I shall assume you are unable to assist us in this regard.

Your cooperation will be most helpful.

Very truly yours,
