Dear Mrs. Barnard:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

Dear Mrs. Bernard:

Inclosed herewith is a picture of the United States Military Cemetery Cambridge, England, in which your husband, the late Staff Sergeant Leroy Bernard, A.S.N. 6 391 061, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

IN REPLY REFER TO;

Your husband, _____, due to a change of station, was obliged to abandon, or lost, certain items of his personal property. This property is now in storage at this Bureau.

It is our desire that some close relative store and keep this property for him pending his return. Regulations require that we have some indication from the owner as to whom he wants his property delivered. Accordingly, if you have any letter or other written instrument indicating his desires along this line, I wish you would forward the same to me. After examining it I shall return it. I would also appreciate it if you would be so kind as to give me the following information, and any other information which you deem important:

1. What is his present rank and Army serial number?
2. What is his latest mailing address and to what Army unit is he now attached?
3. What is the name, address, and relationship of the person with whom you feel that he would want his things stored?

Due to the large number of shipments we are receiving it is necessary that this mimeographed form of letter be employed.

Please be assured that this communication is in no way a casualty message. Its sole purpose is to expedite shipment of the property to the proper party for storage and safekeeping.

By giving prompt attention to the foregoing, you will be most helpful. If you so desire you may use the reverse side of this letter for reply. For your convenience an addressed envelope requiring no postage is inclosed.

Yours very truly,
