Mrs. Tonnis Boukamp

Fort Huron, Michigan

Dear Mrs. Boukamp:

I am writing to you in reference to your husband who gave his life in the service of his Country during the European conflict.

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the Army Air Forces recently completed the translation of several volumes of captured German records.

In regard to First Lieutenant Tonnis Boukamp, these records indicate that he was killed 29 September 1944, when his A-20 (Havoc) bomber was downed at Schleid, Germany, while on a bombing mission to Bitburg. Schleid is approximately six miles north of Bitburg (49° 48' North Latitude, 6° 32' East Longitude). Interment was made in the community cemetery of Seffern which is located six miles north of Bitburg.

According to information submitted by a returned crew member, Lieutenant Boukamp was wounded too badly to leave the airplane, and undoubtedly went down with the ship.

The Quartermaster General in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the legal next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. If the report of your husband's burial has not been confirmed and you have not been notified by the Quartermaster General, that official will furnish you definite information immediately upon receipt of the official report of interment from the Commanding General of the Theater concerned.

May the knowledge of your husband's valuable contribution to our cause sustain you in your bereavement.

Very sincerely,

LEON W. JOHNSON
