PART A

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

PART B

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. **WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.**

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Mr. Robert L. Dantas

Salt Lake City, Utah

Dear Mr. Dantas:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

THOMAS B. LARKIN

Dear Mr. Dontas:

Inclosed herewith is a picture of the United States Military Cemetery St. Andre, France, in which your brother, the late First Lieutenant Peter Dontas, is buried.

It is my sincere hope that you may gain some solace from this view of the surroundings in which your loved one rests. As you can see, this is a place of simple dignity, neat and well cared for. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

This cemetery will be maintained as a temporary resting place until, in accordance with the wishes of the next of kin, all remains are either placed in permanent American cemeteries overseas or returned to the Homeland for final burial.

Sincerely yours,

Mrs. Alberta Boyd
1860 South Main Street
Salt Lake City, Utah.

Dear Mrs. Boyds

I am writing to you in reference to your brother who gave his life in the service of his Country during the European conflict.

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the Army Air Forces recently completed the translation of several volumes of captured German records.

In regard to First Lieutenant Peter Dontas, these records indicate that he was killed 8 August 1944, when the A-20 (Havoc) he was aboard sustained damage and crashed near Le Pouchel which is located twenty-seven miles west of Arras, France. It is regretted that neither time nor place of burial was given.

The Quartermaster General in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the legal next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. If the report of your brother's burial has not been confirmed and you have not been notified by the Quartermaster General, that official will furnish you definite information immediately upon receipt of the official report of interment from the Commanding General of the Theater concerned.

May the knowledge of your brother's valuable contribution to our cause sustain you in your bereavement.

Very sincerely,

LEON W. JOHNSON
Brigadier General, USA
Chief, Personnel Services Division

IDENTIFYING DATA

Received Reports of Reinterment for Unidentified Americans X-509 and X-510, U. S. Military Cemetery, St. Andre, France, Graves 39 and 40, Row 2, Plot H. Remains were disinterred from Communal Cemetery Le Ponchel, France where they were buried by civilians of Le Ponchel after their plane crashed 8 August 1944 in that vicinity.

Grave of Unknown X-509 in the Communal Cemetery Le Ponchel was marked "8-8-44 A. L. Nielsen No 37389813", and grave of Unknown X-510 in the Communal Cemetery Le Ponchel was marked "8-8-44 Peter Dontas No. 806236". Unknowns are listed in OCM order No. Pas de Calais 1404 as being from the 416 Bb. Gp. (L).

No clothing was found on Unknown X-509, and only a flying jacket, flyer's coveralls, and a fragment of a parachute harness were found on Unknown X-510. There were, however, no identifying markings or clues of any kind on this clothing.

[Disturbing text redacted]

Disinterment and Reburial were accomplished by Det. "A", 4th Plat., 3049th QM Gr. Reg. Co.

RESULT OF INVESTIGATION

Obtained list of crew members with Dontas and Nielsen from Army Air Forces. The serial number of the plane was 43-9673, and it contained a crew of three: Plane was an A20G:

Pilot: Dontas, Peter, 1st Lt., O-806236
 Mac Gnr: Fields, William E., S/Sgt. 35339996
 Arm Gnr: Nielsen, Arthur L., S/Sgt. 37389813

Checked present status of all crew members with Casualty Branch. Lt. Dontas, and S/Sgt. Nielsen were reported KIA 8 August 1944, and S/Sgt. Fields returned to duty.

German Report KU 2704:

Excerpt of German Report, KU 2704, furnished the following information:
Plane MARAUDER was downed 8 August 1944 at 1600 near Le Ponchel, 6 Km NW of
Auxi Le Chateau, 100% damage.

Captured: 1 Prisoner of War - Sgt. William E. Fields, 35339996
2 Men dead.

Burial location and date of death furnished on burial reports for
Unknowns X509 and 510 agree with information on KU 2704.

In view of the markings on the graves and the fact that S/Sgt. Fields
returned to duty, by process of elimination, X-509 and X-510 are undoubtedly
the remains of Lt. Dontas and S/Sgt. Nielsen. Although the method the
civilians used in differentiating the two bodies is unknown, it is believed
that the remains were originally identified (possibly by tags), in view of
the correct names on the grave markers.

Subsequent to the completion of this investigation corrected reports of
burial were received from the Field, identifying X-510 as Dontas and X509 as
Nielsen, the identification based upon the following:

1. Est. date and place of death of X-509 and X-510 in agreement
w/MACR for A/C 43-9673.
2. Both crew members disinterred from the same cemetery.
3. Original German green burial cards made by Germans for "Dontas
Peter" and "Nielsen, Arthur L". which also indicate date and
place of death and identification tags.

It is therefore believed that the remains in Grave 39 are those of S/Sgt.
Nielsen, and the remains in Grave 40 are those of Lt. Dontas.

RECOMMENDATION

Approval of identification of the remains buried as X-510 (St. Andre)
as 1st Lt. Peter Dontas and of X-509 as S/Sgt. Arthur L. Nielsen 37389813.

This property is being forwarded to you in and should reach you in the near future.

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.
