MEMORANDUM FOR RECORD:

SUBJECT: Review of Circumstances Surrounding the Circumstances
of Personnel Presumed Dead.

1. The following-named Air Corps personnel were reported missing in action on 10 April 1944, while in flying pay status, by ETO Shipment No. 042:

2d Lt	Raines, Arthur A., Jr.	0747891
S Sgt	Bender, Glenn J.	39553380
S Sgt	Nielsen, Jack O.	19139615

2. Findings of Death were made in the cases of the above-named persons, under the provisions of Section 5, Missing Persons Act, by S.R. & D. No. 2671-A, showing the presumed date of death as 17 October 1945.

3. Missing Air Crew Report No. 3746, submitted by the 669th Bombardment Squadron, 416th Bombardment Group on 12 April 1944, identifies subject persons as the crew of B-20 aircraft No. 43-9895, which departed from Wethersfield, Essex, England on an operational mission over Bois des Huitrues, France. The plane was last sighted over the target area in the vicinity of Hazebrouck, France, at 0950 hours on 10 April 1944. At that time it dropped out of formation with one engine feathered but in a normal attitude of flight. The course of this aircraft is described as Wethersfield to Tonbridge to Dungeness, England, to Lt Touquet to 50° 33½' N - 02° 08' E to target to 51° 06' N - 02° 35' E to North Foreland to base.

4. From the course described above, the aircraft would normally proceed almost directly north from Hazebrouck (50° 43' N - 02° 32' E) to a point between Dunquerque, France (51° 02' N - 02° 22' E) and Coxyde, Belgium (51° 06' N - 02° 39' E), a distance of approximately 25 miles, before crossing the Strait of Dover to North Foreland, on the southeastern coast of England, near Margate.

5. In the 201 file of Lt Raines is a communication addressed to the organization commander by the wife of Lt Raines on 22 April 1944, requesting information concerning her husband. This communication was forwarded to The Adjutant General by fourth indorsement by the Theater Commander on 19 May 1944. First indorsement by the Group Commander to the Theater Commander reads in part as follows:

"2. Lt Raines' airplane was last seen in the area of Hazebrouck at 0955 on 10 April 1944, on an operational mission. His aircraft dropped out of formation with one engine feathered at 11,000 feet, heading 65 degrees magnetic. His plane was in normal attitude of flight when last seen. Airplane was believed to have been hit by enemy anti-aircraft. At time of last report, formation had bombed target and was on return journey to base."

AG 704 (16 Dec 48)

6. Information received from the office of The Quartermaster General indicates that there are no burial reports or any information on this crew at the present time; that there are no favorable unidentified that may be associated with subject persons; and that the area of Hazebrouck has been thoroughly investigated with negative results.

7. Captured German Records have been searched but contain no identifiable reference to this plane or its crew.

8. The foregoing facts reveal that the aircraft of which subject persons were crew members was last sighted in the area of Hazebrouck, France, after the target had been bombed and while it was on the return journey to England. At this position it dropped out of formation with one engine feathered but in normal attitude of flight. If the plane remained airborne and proceeded on normal course for 25 miles, it would leave the coast of Europe between Dunquerque France and Coxyde, Belgium, for the trip across the Strait of Dover. No information regarding this plane or its crew can be found in the office of The Quartermaster General nor is there any identifiable reference to either in captured German records. In the absence of definite information about the fate of this crew and the location of its descent, it is concluded that the facts presented above provide insufficient information to warrant the issuance of reports of death under the provisions of Section 9, Missing Persons Act.

Dear Mr. Nielsen:

The Army Effects Bureau has received some personal effects belonging to your son, Staff Sergeant Jack O. Nielsen.

This property is being forwarded to you in one carton, and should reach you in the near future.

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your son.

Inclosed herewith is a check in the amount of \$60.00 representing funds belonging to your son.

Yours very truly,
