This dental chart is very important and should be filled in with great care. There are 32 teeth to be accounted for, as shown by the numbers on the chart. Beginning at the middle line in both upper and lower jaws, the teeth are arranged symmetrically on either side and classed as incisors (cutting teeth), cuspids or canines (tearing teeth), bicuspid (chewing teeth), and molars (principal chewing teeth). An examination should be made and findings charted to cover the following basic conditions: Lost teeth, crowned teeth, bridge work, fillings, caries (cavities of decay), dentures (plates), and any deformity of jaws found. See reverse side for illustrations.

Dear Mrs. Williamson:

Reference is made to the "Letter of Inquiry - Disposition of Remains" sent to you about 30 days ago, requesting you to complete and mail the "Request for Disposition of Remains" form to this office.

The War Department is obliged to inter in permanent U. S. Military Cemeteries the remains of World War II Dead whose next of kin do not request their return to the United States for final burial. After burial in a permanent American Military Cemetery overseas, the next of kin will be mailed the interment flag that was actually used during the military funeral service and advised of the name and the location of the cemetery, together with the plot, row and grave number in which final interment was made.

If the form, "Request for Disposition of Remains," or a reply to this letter is not received from you within fifteen days, the War Department will proceed on the assumption that you do not wish the remains returned to the United States for permanent burial.

Dear Mr. Higgins:

Your letter pertaining to the remains of your son the late Staff Sergeant Robert R. Williamson, has come to my attention.

In accordance with the precedence of relatives eligible to designate the disposition of the remains of your son the widow has prior disposition right unless legal documentary evidence substantiates that she has been separated, divorced or remarried. In either of these events, the disposition right reverts to the parent of the decedent, the father having precedence over the mother.

To enable the War Department to determine who may legally exercise the right of disposition, you are requested to submit a certified copy of the marriage certificate to this office. Upon receipt of this evidence, our records may be amended to indicate the next of kin legally authorized to direct the disposition of the remains of your son.

Your cooperation and promptness in forwarding the requested document to our office will be greatly appreciated.

Sincerely yours,

G.A. Horkan;

Dear Sir: 113

We received the picture of the United States Cemetery in France where my son Robert R. Williamson is buried. Which we appreciated very much, however Roberts former wife is married, Daisy L. Williamson, and under the present conditions all literature concerning Robert would mean a great deal more to me, his Mother.

I am writing to ask, that all future matter, be mailed to me at the above address.

Now that Daisy is no longer Roberts widow, and has now a family of her own, I want it understood, that the decision of my sons final resting place, shall be entirely up to me.

I think you can fully understand, my sentiments in this request.

Thanking you in Advance,
I am, Greatfully,

I want it made some final resting place, and I think you can help me in this regard. Thanking you in advance,

Dear Mrs. Williamson:

The War Department is most desirous that you be furnished the latest information regarding the burial location of your husband, the late Staff Sergeant Robert R. Williamson, A.S.N. 19 139 625.

The records of this office disclose that his remains were originally interred in a temporary cemetery established near the place where he met his death, but were later moved to a more suitable site where constant care of the grave can be assured by our Forces in the field.

The records further disclose that his remains are now interred in the U. S. Military Cemetery St. Andre, plot H, row 10, grave 189, located forty-eight miles west of Paris, France.

The War Department has now been authorized to comply, at Government expense, with the feasible wishes of the next of kin regarding final interment, here or abroad, of the remains of your loved one. At a later date, this office will, without any action on your part, provide all legal next of kin with full information and solicit their detailed desires.

Please accept my sincere sympathy in your great loss.

Dear Mrs. Williamson:

I am writing to you in reference to your husband who gave his life in the service of his Country during the European conflict.

In an effort to furnish the next of kin with all available details concerning casualties among our personnel, the Army Air Forces recently completed the translation of several volumes of captured German records.

In regard to Staff Sergeant Robert R. Williamson, these records indicate that on 23 April 1944, his A-20 (Havoc) bomber was shot down near Bounieres, France, a village ten miles south southwest of St. Pol sur Ternoise. These records further state that your husband's body was interred in the English cemetery of St. Pol sur Ternoise (50° 22' North Latitude, 2° 20' East Longitude), twenty miles west northwest of Arras. The date of burial was not reported.

The Quartermaster General in his capacity as Chief, American Graves Registration Service, is charged with the responsibility of notifying the legal next of kin concerning grave locations of members of the military forces who are killed or die outside the continental limits of the United States. If the report of your husband's burial has not been confirmed and you have not been notified by the Quartermaster General, that official will furnish you definite information immediately upon receipt of the official report of interment from the Commanding General of the Theater concerned.

May the knowledge of your husband's valuable contribution to our cause sustain you in your bereavement.

Very sincerely,

Mrs. Daisy L. Williamson
4985 Pelham Road
Dearborn, Michigan

Dear Mrs. Williamson:

Reference is made to letter under date of January 17, in your behalf, from 1st Lieutenant Robert L. Becker, Selfridge Field, Michigan, making inquiry regarding the personal effects of your husband, Staff Sergeant Robert R. Williamson.

I am sorry to report that the Army Effects Bureau has not received any property belonging to him to date. It is reasonable to assume that his effects will ultimately be received here; however, because of transportation delays and other difficulties involved, it is probable that sufficient time has not elapsed for their arrival at this Bureau. Unless your husband's effects are received here within the next few months, we will institute tracer to determine the reason for such an unusual delay.

Please be assured that upon arrival of Sergeant Williamson's effects, they will be forwarded to you promptly.

Yours very truly,
