Dear Mr. Galloway:

Reference is made to your inquiry regarding the personal effects of Staff Sergeant Arthur F. Galloway.

A copy of your letter has been forwarded to the Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City 1, Missouri, for reply to you. That office has jurisdiction over the disposal of the personal effects of our military personnel who are missing in action outside the United States. However, considerable time is often necessary to process these personal belongings back to this country due to the lack of shipping space and the great amount of work involved.

Please accept my sincere sympathy in this period of anxiety.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

Dear Mr. Galloway:

The Army Effects Bureau is forwarding to you the following personal property, recently received here, belonging to your son, Staff Sergeant Arthur F. Galloway:

1 Carton and contents

My action in transmitting the property does not, of itself, vest title in you. The items are forwarded in order that you may act as gratuitous bailee in caring for them pending the return of the owner, who has been reported missing in action. In the event he later is reported a casualty, and I sincerely hope he never is, it will be necessary that the property be turned over to the person or persons legally entitled to receive it.

When delivery has been made, I shall appreciate your acknowledging receipt by signing one copy of this letter in the space provided below, and returning it to this Bureau. For your convenience, there is inclosed an addressed envelope which needs no postage.

I regret the circumstances prompting this letter, and wish to express my hope for the safe return of your son.

As the Adjutant General, Washington 25, D. C., has jurisdicition over the award of medals, you may contact that official for the information desired.

Yours very truly,

Dear Mr. Galloway:

Your letter directed to the Quartermaster General has been forwarded to this Bureau for reply concerning the personal effects of your son, Staff Sergeant Arthur F. Galloway.

I am sorry to report that the Army Effects Bureau has not yet received any of his property. It is reasonable to assume, however, that his belongings ultimately will reach here, as all War Department agencies have instructions to forward the personal effects of military personnel to this Bureau for disposition. Transportation delays generally are encountered in delivery of effects, and considerable time should be allowed for the return of property from overseas.

Promptly upon receipt here of any of your son's belongings, disposal action will be taken.

Sincerely yours,

Dear Mr. Galloway:

Reference is made to your inquiry regarding the personal effects of Staff Sergeant Arthur F. Galloway.

A copy of your letter has been forwarded to the Effects Quartermaster, Army Effects Bureau, Kansas City Quartermaster Depot, 601 Hardesty Avenue, Kansas City 1, Missouri, for reply to you. That office has jurisdiction over the disposal of the personal effects of our military personnel who are missing in action outside the United States. The Quartermaster General.

Dear Sir:

Enclosed please find pictures of my son, Staff Sergeant Arthur F. Galloway 35 631 618 as requested in your letter of August 13, 1946. To my knowledge these are the most recent photographs of him, though I have some taken before his entry into the Armed Forces. If, as it seems, there is no hope of his return to me I should be greatly eased to know that he has a last resting place known to me. Any information concerning him will be deeply appreciated. Thank you for the kindness manifest in your letter.

If there is any further information I can give to aid you in any way I will be very glad to do so.

Sincerely

Loren Galloway

Address Reply To THE
QUARTERMASTER GENERAL

Mr. Loren Galloway
881 McAllister Avenue
Columbus, Ohio

Dear Mr. Galloway:

It is with reluctance that I write to you about your son, Staff Sergeant Arthur F. Galloway, 35 631 618, who lost his life as a result of an airplane crash in the European Area.

In the combat areas it was sometimes difficult, if not impossible, to definitely identify deceased members of our Armed Forces.

There has been forwarded to this office a burial form for a deceased member of the Army Air Forces, with certain identifying information which leads us to believe the remains are those of your son. Inasmuch as four photographs were included, it will be appreciated if you can furnish this office with a picture of your son, especially a profile type, so that a comparison may be made to establish the identity of this Unknown American.

A self-addressed envelope, which requires no postage, is inclosed for your convenience.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

Dear Mr. Galloway:

The Department of the Army desires that you be furnished information concerning the resting place of your son, the late Staff Sergeant Arthur F. Galloway, A.S.N. 35 631 618.

With deep regret I must inform you that, although the records of this office disclose that the remains of your loved one were reverently interred, it was not possible, because of the manner in which he met his death, to identify his remains individually.

The remains of your loved one and another fallen comrade were interred as a group in the United States Military Cemetery Henri-Chapelle, located eighteen miles northeast of Liege, Belgium.

The American Graves Registration Service exhausts every possible clue which might lead to the individual identification of United States deceased personnel, however, if further research fails to establish their individual identity, the remains of this group will be returned to the United States for final interment in a national cemetery designated by The Quartermaster General. All legal next of kin will be advised at a later date of the national cemetery in which final interment will be made and will also be notified of the time of burial.

May I extend my sincere sympathy in your great loss.

Sincerely yours,

JOHN O. HYATT

Dear Mr. and Mrs. Galloway:

I am writing you relative to the previous letter from this office in which you were regretfully informed that a Finding of Death had been made in the case of your son, Staff Sergeant Arthur F. Galloway, 35,631,618, Air Corps, and that the presumptive date of his death had been established as 26 December 1945.

The records of the Department of the Army are being amended to show that Sergeant Galloway was killed in action on 25 December 1944 in Amblove, Belgium. This change in status from presumed dead to killed in action was based on burial information received from the Commanding General, European Theater. You will receive a letter from The Quartermaster General concerning the disposition of your son's remains.

Pursuant to the provisions of Public Law 490, 77th Congress, 7 March 1942, as amended, official reports will now be issued by the Department of the Army which will indicate the actual date of his death as that shown above. The issuance of this official Report of Death will not affect any payment or settlement of accounts which has been made on the basis of the Finding of Death.

My continued sympathy is with you in the great loss you have sustained.

Sincerely yours,

Dear Mr. Galloway:

The Department of the Army desires that you be given the most recent information concerning your son, the late Staff Sergeant Arthur F. Galloway, A.S.N. 35 631 618.

His remains were initially buried with others of his comrades who met their death in the same incident. Since that time the American Graves Registration Service has, without success, explored every clue that might lead to individual identification of any of the remains, and has at last been forced to conclude that only a group identification of the remains is possible. They are now casketed and, pending return to the United States, are being held at the United States Military Cemetery, Henri-Chpaelle, Belgium.

All remains in this group will be brought back simultaneously for interment in Zachary Taylor National Cemetery, located at Louisville, Kentucky.

This plan for the burial of all the known groups of men for whom individual identity cannot be established in one of our country's shrines is based upon the provisions of Public Law 383, 79th Congress, as amended by Section 3, Public Law 368, 80th Congress. Final interment in a National Cemetery in the United States where perpetual care will be given the graves, is fitting and proper. This particular National Cemetery was selected in order that no undue burden of travel might be placed on any one family wishing to attend the services.

You and the next of kin of the other men will be informed of the date and time of the final interment sufficiently in advance to permit you and any interested persons to attend the ceremonies. In order that you may receive information concerning these final rites, it is essential, in case you change your address, that you promptly inform the Commanding Officer, Columbus General Depot, Attention AGRD, Columbus 15, Ohio.

Sincerely yours,

K. L. HASTINGS
