## PART A

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.

2. An amount not to exceed \$75 is allowed by the Government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.

3. The \$75 maximum allowance by the Government toward interment expenses includes but is not limited to the payment of one or more of the following items: Hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.

4. Reimbursement by the Government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

## PART B

1. When the remains are delivered to you at Government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2 below.

2. Reimbursement of transportation expenses is allowed only when the cost to the Government to deliver the remains to you is LESS than what it would have cost the Government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the Government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. **WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.**

3. Reimbursement by the Government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.

4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

Mr. James H. Rooney  
 311 Harrison Avenue  
 New Orleans, Louisiana

Dear Mr. Rooney:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. The Quartermaster General of the Army has been entrusted with this sacred responsibility to the honored dead. The records of the War Department indicate that you may be the nearest relative of the above-named deceased, who gave his life in the service of his country.

The enclosed pamphlets, "Disposition of World War II Armed Forces Dead," and "American Cemeteries," explain the disposition, options and services made available to you by your Government. If you are the next of kin according to the line of kinship as set forth in the enclosed pamphlet, "Disposition of World War II Armed Forces Dead," you are invited to express your wishes as to the disposition of the remains of the deceased by completing Part I of the enclosed form "Request for Disposition of Remains." Should you desire to relinquish your rights to the next in line of kinship, please complete Part II of the enclosed form. If you are not the next of kin, please complete Part III of the enclosed form.

If you should elect Option 2, it is advised that no funeral arrangements or other personal arrangements be made until you are further notified by this office.

Will you please complete the enclosed form, "Request for Disposition of Remains" and mail in the enclosed self-addressed envelope, which requires no postage, within 30 days after its receipt by you? Its prompt return will avoid unnecessary delays.

Sincerely,

Dear Mr. and Mrs. Rooney:

Your letter concerning your son, the late Captain Robert J. Rooney, has been received in this office.

The War Department has now been authorized to remove the remains of our honored dead, at Government expense, to the final resting place which next of kin may designate.

When the necessary verification of records has been completed, a "Letter of Inquiry -- Return of World War II Dead" will be mailed to you. The response to this letter will constitute a formal expression of your detailed desires as next of kin. Until you receive this letter of inquiry, therefore, it will not be necessary for you to communicate with this office regarding this subject, unless you desire to report any change of address. The necessity for complete coordination of movement in many parts of the world makes it impossible, at this time, to estimate when the letter will be mailed. Every effort, however, will be made to shorten the time between now and the date of mailing, and your desires will be acted upon with a minimum of delay.

Inclosed herewith is a copy of "Summary of Information on Return and Reburial of World War II Dead".

Dear Mr. Rooney:

Acknowledgment is made of your letter of 20 June 1946, addressed to Lieutenant Colonel Lloyd G. Hanley, concerning the return of the remains of your son, Captain Robert J. Rooney.

Legislation has recently been enacted into law providing for the return of the remains of all known American dead who gave their lives overseas and for whom verified burial information has been received. Return of the remains of the deceased will be made by area and not by individual case. However, due to the steel shortage which prevents the delivery of caskets until sometime in the late fall, it will be impossible to start repatriation activities at this time.

Before the remains of your son are returned to this country you will be contacted through a Letter of Inquiry from this office to ascertain your desire as to the final resting place of your loved one. Until the Letter of Inquiry, referred to above, is received, no further action is necessary. All expenses incident to the preparation, casketing and shipment to the place designated by you will be borne by the Government.

Please accept my deepest personal sympathy in the loss of your son.

Honorable James H. Morrison,  
House of Representatives,  
Washington, D. C.

My dear Mr. Morrison:

The Adjutant General has forwarded your letter in behalf of Mr. J. H. Rooney to this office for direct reply relative to the return of the remains of his son, Captain Robert J. Rooney.

Mr. Rooney may be assured that a notation has been made on the records of this office of his desire to have the remains of his son returned home for final burial. Plans are being formulated to return the remains of all known American dead to the legal next of kin. They will be contacted by this office, after legislation has been enacted, to ascertain their wishes as to the final disposition of the remains of their loved ones. All expenses incident to the preparation, casketing and shipment of the deceased to the place designated will be borne by the Government.

Upon compilation of the information received from the inquiries, the repatriation activities will begin. Every effort will be made to expedite the return of the deceased to the place designated by the legal next of kin, at the earliest practicable date, however, this mission is world-wide in scope and of necessity time consuming.

The Quartermaster General, Major General T. B. Larkin, desires to extend through you to Mr. Rooney his deepest sympathy in the loss of his son.

Dear Mr. Rooney:

Acknowledgment is made of your letter requesting information concerning the return of the remains of your son, the late Captain Robert J. Rooney, to the United States for final interment.

~~At the outbreak of the war it became necessary to adopt the policy that the remains of our American dead overseas should not be returned to the United States until after the cessation of hostilities.~~

Now that Japan has been defeated immediate plans are being formulated with a view to returning to the next of kin the remains of their loved ones. This sacred duty will be carried out by the Government at its expense and insofar as practicable in accordance with the expressed wishes of the legal next of kin, who will be notified well in advance of the actual return of the remains. The mission as a whole is world wide in scope and of necessity time consuming, but you may rest assured that this office full appreciates your desires and will do everything in its power to fulfill them at the earliest possible date.

This office regrets, sincerely, the delay in answering your letter.

FOR THE QUARTERMASTER GENERAL:

Sincerely yours,

Dear Mr. Rooney:

Reference is made to your letter in which request information concerning your son, the late Captain Robert J. Rooney.

The official report of interment received in this office reveals that the remains of your son were interred in the U.S. Military Cemetery, Margraten, Holland, Plot U, Row 6, Grave 133. At the outbreak of the war it became necessary to adopt the policy that the remains of military personnel interred outside the United States would not be returned until cessation of hostilities in all theaters of operations .

A notation has been made on the official records of this office that it is your desire to have the remains of your son returned to the United States for final interment.

This office regrets, sincerely, the delay in answering your letter and wishes to extend its deepest sympathy in the loss of your son.

Mr. James H. Rooney  
311 Harrison Avenue  
New Orleans 19, Louisiana

Dear Mr. Rooney:

I am inclosing a check for \$222.77, representing funds of your son, Captain Robert J. Rooney.

No other property belonging to him has been received at the Army Effects Bureau to date.

Our action in transmitting funds does not, of itself, vest title in the recipient. Such property is forwarded for distribution according to the laws of the state of decedent's legal residence.

Money ordinarily is sent from overseas by mail in advance of other effects; therefore, it is probable that additional belongings of decedent will reach this Bureau at a later date. As it is intended to forward any such property to you promptly upon receipt here, I ask that you please notify this Bureau if there is a change in your address within the next few months.

I wish to express my sympathy in the loss of your son.

Sincerely,

C. B. QUINN

Dear Mr. Rooney:

The Army Effects Bureau has received certain funds which belonged to your son, Captain Robert J. Rooney.

This is the only property of Captain Rooney received here to date; however, money ordinarily is transmitted from overseas by mail, in advance of other effects.

To make proper disposal of these funds, it is necessary that we have certain information regarding your son's family. I will appreciate your informing us whether he was married and, if so, the name and address of his widow.

In addition, if Captain Rooney left a Will which has been probated, the original or a certified copy of the Letters Testamentary should be sent here for inspection. Any papers that you send us will be returned promptly.

For your convenience in replying, there is inclosed an addressed envelope which needs no postage.

Yours very truly,

Honorable F. Edward Hebert  
House of Representatives  
Washington, D. C.

My dear Congressman:

I have your letter of April 17, asking about the personal effects of Captain Robert John Rooney, on behalf of his family.

To date, no property of Captain Rooney has been received at this Bureau, nor any Casualty Report indicating his present status. Since this Bureau has been furnished no information regarding the date and place of this casualty, it is not known how soon his property may be expected to arrive here. Transportation delays generally are encountered in the delivery of effects to this country. It normally takes from six to eight months for effects to be received from overseas.

Promptly upon receipt here of any property of Captain Rooney, disposal action will be taken.

Thank you for your interest in this case.

Sincerely,

JOHN R. MURPHY  
Colonel Q.M.C.  
Effects Quartermaster
