Dottie,

Brownie's passing leaves us with nothing but great memories. It seems like yesterday that the Brown, Buskirk, Hanna and Brewster families were all together living in Curtis Park, outside of Barksdale Field. Fast forward to several years ago, when we visited you and Brownie took us on a tour of the Air Force Museum. It rekindled old friendships once again, a treasured time in my life, thanks to Brownie. He will be missed by all, as he was the best.

Love Sandy

Our condolences go out to all family members of Brownie, especially Dottie. We have known Brownie and Dottie for a while now. We joined the 416th BG family and have enjoyed their company. We will miss him, as all his friends and family will. He was a wonderful man and a real hero to us. Love from Jane and Doug Enman

Brownie,
As he was known by his friends will be missed. He like so many from his generation
truly symbolize the meaning of a "Great American". The world is a better place
because of Claude's contributions.
I am sorry for your loss.
God Bless

Maria and I were saddened to hear of Brownie's passing. We've only known him
since 2004 through the 416th Bomb Group reunions but we have treasured his
friendship ever since. In 2006, Brownie and Jim Kerns visited our museum in CT to
see the aircraft we are restoring and one which Brownie piloted in WWII. We will
miss him. Our sincerest condolences to his family.
